## About "Food Support Kobe"

"Food Support Kobe" is a Kobe City-organized event to support people facing financial difficulties due to rising prices and cost of living. The event is held twice a year (spring and autumn) across all wards of Kobe City, providing food and essential items for free. Consultation with specialists over daily life issues, employment, and legal matters available. Support resources and information will also be shared. Venue entry is based on your ward of residence, so please bring documentation that can be used to confirm your residence on the day of the event. You don't have to face your worries alone. Visit your local venue for support.
